—The store that will long be remembered as the leader of fashions in this city.

We desire at this time to thank the ladies of Salt Lake City for the loyal sup-
port given us as a Woman's Specialty Store. And in our new field of en-
deavor will always look back with great pleasure to the dear friends in Zion,
and extend to them a cordial invitation to visit us in Southern California—the
latch string will always be on the outside for Salt Lake friends.
